

Transforming Decision and Policy Making through Big Data

BigPolicyCanvas

4th September, 2018
Start: 13:00h End: 14:30h

Dr.-Karl-Dorrek-Straße 30,
3500 Krems, Austria

Take the opportunity to attend the workshop “Transforming Decision and Policy Making through Big Data” and **share with us your perspective** on how big data driven modernisation in decision and policy making will come into effect.

Are you a public sector representative, ICT expert or a researcher in the fields of Big Data, public safety, private security or urban development? **Would you like to have a say in the design of the future European Public Sector?**

This workshop is **co-organized by** four EU funded projects (Big Policy Canvas, PoliVisu, BigDataOcean, Aegis) that target big data exploitation in different domains of policy. This workshop will be active, fast-paced, structured and fun and will provide a forum **to exchange experiences, best practices and ideas** among all the participants.

AGENDA

- 13:00 h Presentation of the workshop's purpose and planned activities (5')
- 13:05 h Presentation of the projects' results (10')
- 13:15 h Game-storming and Co-creation session with the workshop participants and presentation of results (50')
- 14:05 h Panel with experts and Q&A session (20')
- 14:25 h Wrap up (5')
- 14:30 h Closing

Let's shape together the future of policy making!
